

Online Submission System User Guide for ARIS 2015

1. Online Submission System

The conference uses **Academia Sinica conference system** to manage submissions. The submission system language is English. Please do **NOT** input anything in Chinese. Chinese data will show up as garbled text.

2. Submission Procedure

Online Submission Link:

<https://conference.iis.sinica.edu.tw/Conference-Submission/servlet/SignInHandler>

Step 1:

To submit a paper, please log in at first. If you do not have an account with this conference's submission system, please to the submission system to create an account.

If you need to register a new account, Click "**Register**" botton.

ARIS2015 2015 International Conference on Advanced Robotics and Intelligent Systems
NCAR2015 2015 National Conference on Advanced Robotics

You did not login yet or session expired. Please login to continue.

To submit a paper, please log in. If you do not have an account with this conference's submission system, please **Register** to the submission system to create an account.

If you forget your password, please key in your email address and leave the password slot blank, and click [enter]. The system will email the password to you.

Login

email address

Password: *****
leave blank if unknown

Enter or Register

For web-related questions, please contact Administrator

Step 2:

Enter the registration sheet and submit the account data.

Member Registration Sheet

*E-Mail :

*Repeat E-Mail :

*Salutation : Mr. Ms. Mrs. Prof. Dr.

*Name :
Last (Family) Name First (Personal) Name Middle Name

Chinese Name :

Job Title :

*Organization :

Department :

Mailing Address :

City :

State/Province :

Zip/Postal Code :

*Country :

Telephone : + - -
Country Code Area Code Phone No. Extension No.

Facsimile : + - -
Country Code Area Code Phone No. Extension No.

Research Interests :

* All fields marked with a star are required for registration.

Step 3:

Enter the account name and password to login the submission system.

ARIS2015 2015 International Conference on Advanced Robotics and Intelligent Systems
NCAR2015 2015 National Conference on Advanced Robotics

You did not login yet or session expired. Please login to continue.

To submit a paper, please log in. If you do not have an account with this conference's submission system, please to the submission system to create an account.

If you forget your password, please key in your email address and leave the password slot blank, and click [enter]. The system will email the password to you.

Step 4: Enter the all authors name and choose the Track

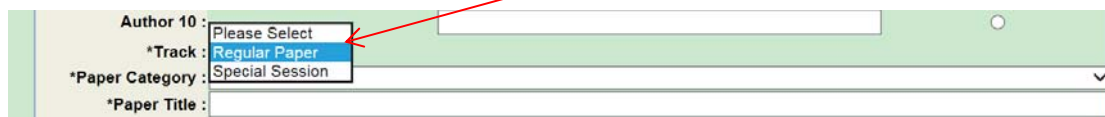

(Regular or Special session)

A screenshot of a web form with a light green background. It contains several input fields for authors: Author 7, Author 8, Author 9, and Author 10. Each field is followed by a radio button. Below the author fields is a dropdown menu for '*Track' with two options: 'Regular Paper' (highlighted in blue) and 'Special Session'. Below the track dropdown is another dropdown for '*Paper Category' with 'Special Session' selected. At the bottom, there are fields for '*Paper Title' and '*Keyword'.

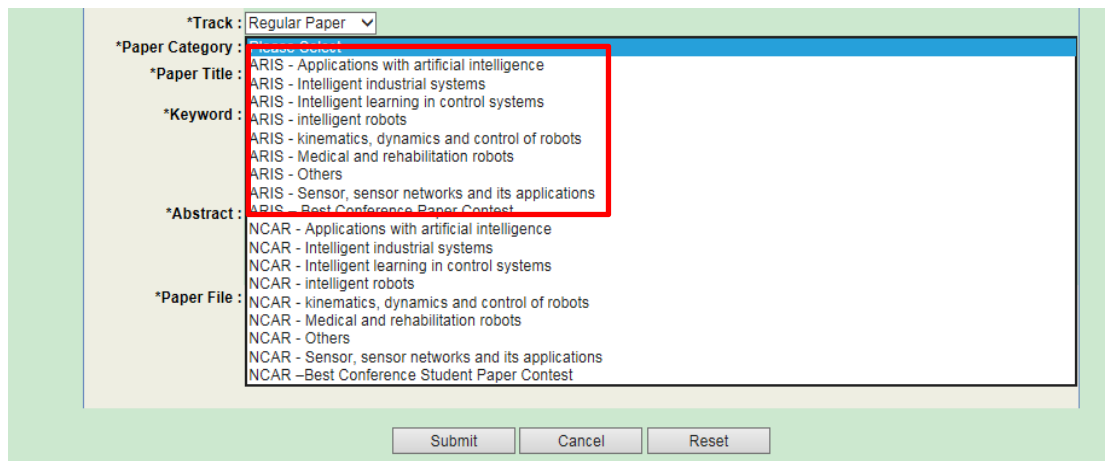

Step 5: Choose the paper category.

For Regular paper, please choose the Regular paper at first.

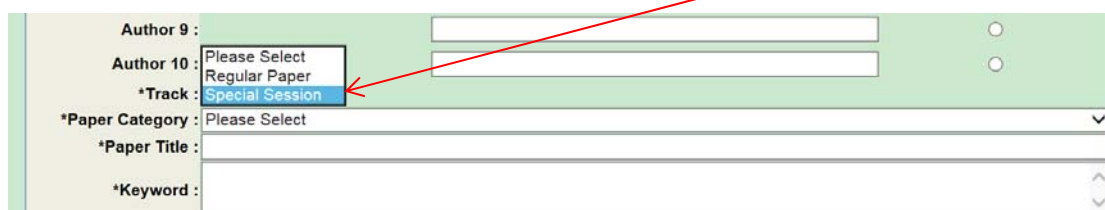

A screenshot of the same web form as in Step 4. The '*Track' dropdown menu is open, showing 'Regular Paper' (highlighted in blue) and 'Special Session'. A red arrow points from the text above to the 'Regular Paper' option.

Then, choose a suitable paper category.

A screenshot of the web form showing a list of paper categories. The '*Track' dropdown is set to 'Regular Paper'. The '*Paper Category' dropdown is open, displaying a list of categories. A red box highlights the first few categories: 'ARIS - Applications with artificial intelligence', 'ARIS - Intelligent industrial systems', 'ARIS - Intelligent learning in control systems', 'ARIS - intelligent robots', 'ARIS - kinematics, dynamics and control of robots', 'ARIS - Medical and rehabilitation robots', 'ARIS - Others', and 'ARIS - Sensor, sensor networks and its applications'. Below the list are 'Submit', 'Cancel', and 'Reset' buttons.

For Special session (invited paper), please choose the special session at first.

A screenshot of the web form showing the '*Track' dropdown menu open. The 'Special Session' option is highlighted in blue. A red arrow points from the text above to the 'Special Session' option.

Then, choose your invited session (if you are not sure, please check it with the chair of the invited session).

A screenshot of a submission form. The 'Track' dropdown menu is open, showing a list of options. A red box highlights the list, and a red arrow points to the dropdown arrow. The options in the list include:

- ARIS - Applications of Automation and Intelligent systems
- ARIS - Applications of Novel Technologies toward the Smart Grid
- ARIS - Autonomous Mobile Robot
- ARIS - Design Optimization in Engineering and Industrial Applications
- ARIS - Flexible 2D and 3D Object Localization for Industrial
- ARIS - Intelligent automated system and its Applications
- ARIS - Intelligent Sensing and Control for Robotic Systems
- ARIS - Intelligent Signals, Sensors, and Systems
- ARIS - Nonlinear Dynamics and Chaos in Engineering Applications
- ARIS - Recent Development of Brain-Computer Interface Systems in NTUT
- ARIS - Smart Sensing, Control, and Image Recognition Technologies
- NCAR - Intelligent data mining and environment
- NCAR - Robot applications for home care and rehabilitation
- NCAR - Robotics in Bio-Industry
- NCAR - Smart sensing systems
- NCAR - Wheeled mobile robot system design, implementation and application

Below the list, there is a note: "Please upload your file. (pdf)".

Step 6: Enter the Paper title, Keyword, Abstract and paper file.

A screenshot of the submission form. The 'Track' is set to 'Special Session'. The 'Paper Category' is 'ARIS - Applications of Automation and Intelligent systems'. The 'Paper Title', 'Keyword', and 'Abstract' fields are empty. The 'Paper File' field has a '浏览...' (Browse...) button. A note below the fields states: "Note: Please upload your file. (pdf). The upload file should not exceed 20 MB in size."

Step 7: Click the 'Submit' and finish your submission.

Step 8: You can click 'Personal Information' to check the status of the submission.

A navigation bar with the following elements:

- ARIS2015 2015 International Conference on Advanced Robotics and Intelligent Systems
- NCAR2015 2015 National Conference on Advanced Robotics
- Personal Information
- Working Area for Reviewers
- Working Area for Chairs
- Powered by ISAS Conference Management System
